

Seventh Framework Programme

MOBILITY GRANTS

Call for projects

Opening of the call: July 30, 2008

Project acronym: NEWCOM++
Type of contract: NETWORK OF EXCELLENCE.
Contract N°: 216715
Project URL: <http://www.newcom-project.eu:8080/Plone/>

GENERAL ASPECTS	
Purpose	The aim of the mobility grants is to enhance the face to face research cooperation, promoting exchanges of researchers among different institutions.
Participants	Researchers from any of the NEWCOM++ partners can participate to the call and submit a project.
Duration	The duration of a project is not fixed, as long as it is within NEWCOM++ duration.
Budget	The total budget allocated for a single grant is € 1.500,00. At this stage the budget allows to issue 3 grants, two of them will be issued during the first year of N++, the third will be issue in the second year of N++.
Claim and proof	<p>The prize will be given directly to the winner, the coordinator (ISMB) will claim the cost in the annual financial statement to the EC.</p> <p>At the end of the stay the researcher will send to the coordinator copies of the receipts as boarding passes (or train tickets) as proof of the travel and a short report of the results obtained.</p>
EVALUATION OF PROPOSALS	
Criteria	<ul style="list-style-type: none"> ▪ Relevance to the objectives of NEWCOM++ (links to WPs). ▪ Feasibility and clarity of the objectives. ▪ Integration. The extent to which: <ul style="list-style-type: none"> ○ the mobility gives an add value to already existent liaisons (importance of the choice of the hosting institution); ○ increase of links between institutions

	<ul style="list-style-type: none"> ○ new collaborations ○ “Cross-fertilization” (The person that move should have complementary knowledge with respect to the one of the hosting institution in any case helpful for the research) ▪ Priority: to PhD students or young researchers. ▪ Results (e.g., papers, exchange of results, models vs. measurements)
<p>Procedure</p>	<p>Each project will be evaluated by the Mobility Panel.</p> <p>Conflict of interest will not be accepted. The corresponding member of the panel will be replaced by a person chosen by the Executive Board.</p>

SCHEDULE

The applicants should send the Proposals to Paola Biglia at N++office@newcom-project.eu

Deadline for submitting the proposals: October 30, 2008

Notification of the ranking: December 15, 2008.

PROPOSAL TEMPLATE

The template can be found on:
